The Meadows Athletic Department eagerly anticipates the 2010-2011 school year and the opportunity to enjoy its newly enhanced athletic facilities. To kick off this exciting new year, we are hosting the 2nd Annual “Meadows Scramble” Golf Tournament, the proceeds of which go directly to The Meadows Booster Club. The Booster Club plays a vital role in supporting the Athletic Department by helping with camps, clinics, programs, equipment, and other needs.

We hope you are able to support the tournament with a raffle prize donation, sponsorship, or as a volunteer or participant. What a great way to start the year!

If you have any questions or need assistance, don't hesitate to contact Lori in the Athletic Department.

We ask that all players be 16 years and older or experienced golfers.
