

Celebrating 25 Years
THE MEADOWS SCHOOL

2008 FLL Robotic Challenge

Building a Global Game Plan

Embark on an exploration of the earth's climate in the FLL's 2008 Climate Connections Challenge! Discover the links between science, people, resources and communities. Unearth how we learn about past climates and delve into questions surrounding our current and future climatic conditions. Join FLL teams in creating a global game plan as they make these Climate Connections!

If your child is interested in participating on a Meadows Robotics team this year, or is interested in more information about this exciting robotics league, please plan on attending a meeting on September 3rd. This meeting is for students AND their parents and will be held in Mr. Micek's room located in the middle school – Room 232 at 3:30 p.m. Please note that in order to participate on a school team you must be 9 to 14 years of age. Mr. Micek will discuss an overview of robotics, the competition, meeting dates and times and general team information. In addition, if you are a parent interested in coaching a team this year, please plan on attending as well.

To learn more about the FLL Robotics League and this year's challenge, please visit www.firstlegoleague.org. If you should have any questions, please feel free to contact Mr. Micek.

We look forward to another successful Robotics season!

2005 Ocean Odyssey

Awarded: Creative Presentation – Sea Monkeys / 4th grade Team

2006 – Nano Quest

Awarded: Judges' Award – Nanopods / 5th grade Team

Awarded: Creative Presentation – Nanobots / 4th grade Team

2007 – Power Puzzle

Awarded: Champion's Award – Lights Out / 6th grade Team

Represented the State of Nevada at the FLL World Tournament

Atlanta, Georgia

Nominations: Team Spirit Award
