### **The Meadows School Parents Association Unveils its 9<sup>th</sup> Annual Summer Camp Expo**

The Meadows School Parents Association will host its **9<sup>th</sup> Annual Summer Camp Expo 2012** on Saturday, **March 3, 2012**, from **11:00 a.m. to 3:00 p.m.** It is anticipated that over forty overnight and day camps, situated locally and around the nation, will be exhibiting their summer programs to growing families throughout the Las Vegas Valley. A wide variety of camps with different concentrations (including academic, sports, performing arts, adventure, foreign language, outdoors, volunteer and community service) will be available to discuss their programs and camp opportunities for boys and girls from ages 3-18. The Summer Camp Expo is provided as a service by The Meadows School Parents Association and is free to the public.

The Summer Camp Expo is an excellent opportunity for families to begin their summer planning and to learn about a variety of summer enrichment opportunities available for children. Every camp will have a qualified representative available to discuss registration and distribute appropriate literature to the families. All overnight camps must be accredited with the American Camp Association and/or the Western Association of Independent Camps.

Camps and programs represented at the Summer Camp Expo are independent organizations that are NOT affiliated with The Meadows School or The Meadows School Parents Association (with the exception of The Meadows School Summer Program). The School has not reviewed and does not endorse any activity, program or camp participating in the Summer Camp Expo.

The Summer Camp Expo will be located on The Meadows School campus in its newly constructed, air-conditioned Athletic Complex. Food and beverages will be available for purchase during the Summer Camp Expo.
