

THE MEADOWS SCHOOL MONDAY MEMO

WEEK OF 4/9 THROUGH 4/13

Please read all announcements to your first period class.

- We will meet in the CFA for an assembly. Please be prompt.
- Any current junior that would like to be a school representative to The Youth Advisory Council of The Southern Nevada Water Authority please see Mr. Loesch immediately. We are looking for two students who are interested in making a difference in their community and interested in regional and environmental water issues. The youth Advisory Council immerses young people in public policy and natural resource issues, providing them with experiences and leadership skills to become engaged citizens. Our School representatives in the past have had great experiences, and it is an excellent way to earn community service hours.
- All those interested in community service opportunities are invited to attend the Key Club meetings every Wednesday during lunch in Mr. Miller's room.
- Any junior or senior interested in a part-time job at a health and wellness center on Lake Mead Blvd., please see Mr. Lamb right away.

Mandatory "silent" study hall for all students on the ineligibility list is as follows:
